

SAFES SPACES TOILET

Avoid crowding.
Enter and leave in a staggered manner.

Avoid touching your face,
particularly the eyes,
nose and mouth.

Wash your hands
with soap and water or hand
sanitiser when entering or
leaving the toilet.

Dry your hands with a disposable towel
and use it to turn off the tap.

Leave the door open
for ventilation whenever
possible.

Remember!

**Keep the toilets and the other
common areas clean.**
